LGBTQIA2S+ Financial Resource Guide

SAGE leads in addressing issues related to lesbian, gay, bisexual, transgender, queer and questioning and other self-identifying members of the community (LGBTQ+) aging. In partnership with its constituents and allies, SAGE works to achieve a high quality of life for LGBTQ+ older people, supports and advocates for their rights, fosters a greater understanding of aging in all communities, and promotes positive images of LGBTQ+ life in later years.

This financial resource guide for LGBTQ+ individuals, with a focus on the Transgender and Gender Diverse (TGD) community, includes mutual aid programs, such as rental assistance, homelessness prevention, utility assistance, personal supplies, employment, medical services and transportation.

This guide was created in conjunction with [Chastity Bowick Consulting & Talent Group \(CCTG\)](#).
